## **DETAILED ACTION**

### ***Election/Restrictions***

Claims 10-22, and 24, and 26-30 remain withdrawn from further consideration for reason of record. Claim 25 is rejoined.

Claims 1-4, 8-33 are pending and claims 1-4, 8, 9, 23, 25, and 31-33 are under consideration.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

### ***Claim Objections, Withdrawn***

The objection of claims 31-33 is withdrawn in view of the amendment.

### ***Claim Rejections - 35 USC § 112, Maintained***

Claim 8 remains rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

Claim 8 is interpreted as drawn to genus of proteins.

Applicant argues that the claim recites 95 % homology to SEQ ID NO:2, and the specification provides an algorithm for use in making the determination. Given the high level of homology and clear support for making the determination, the rejection should be withdrawn. These arguments have been fully considered but found unpersuasive.

There is a lack of written description for proteins with 95 % homology to SEQ ID NO:2. The partial structure, i.e. 95 % homology to SEQ ID NO:2 is not coupled with functional characteristics associated with the partial structure.

***Allowable Subject Matter***

Claims 1-4, 9, 23, 25, 31-33 are allowed.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
